

### **Luke Shabro Bio**

Luke Shabro is an intelligence analyst for Training and Doctrine Command (TRADOC) G-2 Futures who contributes to the analysis and depiction of the future operational environment and provides support to strategic exercises and future Army initiatives. Mr. Shabro was an Intelligence Specialist in the U.S. Navy for eight years serving aboard the USS JOHN C STENNIS aircraft carrier and as an instructor at the Navy Marine Corps Intelligence Training Center (NMITC). Before joining TRADOC G-2 Futures, he previously provided exercise intelligence support to conventional and special operations forces (SOF) units across the Army with TRADOC G-27 Operational Environment Training Support Center (OE TSC).
